Spends and Summary

The image shows a smartphone displaying the Splii app interface. The top status bar indicates signal strength, battery level at 100%, and the time as 9:41 AM. The main header reads "Splii" on the left, "Quebec City Trip" in the center, and a user icon on the right. Below the header, a green section titled "SUMMARY" displays the total prepay and total share. A table then lists individual expenses with their respective amounts and shares.

	Total Prepay	Total Share
SPEND	PREPAY	SHARE
Auto Rental		36.06
Airbnb		78.50
Gas 1	46.00	11.50
Gas 2	20.00	5.00
Parking 1		2.50
Parking 2		2.50

The screenshot shows a mobile application interface for managing travel expenses. At the top, there's a green header bar with the text "Splii" and "Quebec City Trip". The header also includes a back arrow, a person icon, and battery status. Below the header is a section titled "SUMMARY" in green. It displays two main figures: "Total Prepay" (78.00) and "Total Share" (136.06). The main content area is a table with three columns: "SPEND" (the expense item), "PREPAY" (the amount spent), and "SHARE" (the amount each person contributed). The table lists six items: Auto Rental (36.06), Airbnb (78.50), Gas 1 (46.00, 11.50 share), Gas 2 (20.00, 5.00 share), Parking 1 (2.50), and Parking 2 (2.50). A large green button at the bottom right says "Add a new spend".
